

Job Posting for a SQL/.Net Programmer

SQL/.Net Programmer (St. Pete, Florida)

What you need for this position:

- Good technical, analytical and problem solving skills required
- Time and tasks management skills, ability to meet deadlines
- Strong communication (verbal and written) skills
- Experience with full software life-cycle and relevant tools
- B.S. Degree or equivalent
- At least 5 years of hands-on development experience
- Must be able to work independently and efficiently within a fast paced, team-oriented environment
- A willingness to support legacy applications on an as-needed basis (VB, PHP, Classic ASP) and migrate existing clients to our new .NET platform.

Must have technical skills:

- .NET (3.5) & ASP .Net
- SQL 2008
- SSIS & SSRS
- HTML
- ETL
- Visual Studio
- Team Foundation Server
- C#
- ASP.Net
- HTML

Nice to have technical skills:

- XSLT
- CSS
- SSRS
- SSIS
- LINQ
- PHP
- Javascript
- Web Services
- XML
- SOAP
- Ajax
- Subversion
- VSS

What you will be doing:

- Primarily - design, code, and test web and Windows applications developed using Microsoft's latest tools and programming environments (.NET, Visual Studio, TFS, SQL 2008, etc.)
- Secondly - design, code, and test legacy web and Windows applications developed using VB (6.0), Classic ASP, PHP, & SQL 2000.
- Your work will span the entire software lifecycle and will include the analysis, design, development, configuration, documentation, and testing of our windows and web-based applications.
- A passion for customer success, a desire for continuous learning and greater responsibility, and the ability to work within a team are keys to success in this position
- Work closely with Project Managers, Business Analysts, QC Analyst, and other Developers on application design, development, and testing
- Implement new features and optimize existing ones in our application based on business requirements

What is in it for you:

- Friendly, lively team
- Work with cutting edge Microsoft technologies
- Competitive compensation package with full benefits and vacation
- 401K
- Flexible hours and telecommuting options
